<body>
<p>
<h1>what is Lorem Ipsum?</h1>
Lorem Ipsum is simply dummy text of the printing and typesetting industry. <br>Lorem Ipsum has been the
industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and
scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic
typesetting, remaining essentially unchanged. <br>It was popularised in the 1960s with the release of
Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus
PageMaker including versions of Lorem Ipsum.</p>
<hr>
<p><h2>why do we use it?</h2>
It is a long established fact that a reader will be distracted by the readable content of a page when looking at its
layout. <br>The point of using Lorem Ipsum is that it has a more-or-less normal distribution of letters, as opposed to
using 'Content here, content here', making it look like readable English. <br>Many desktop publishing packages and web
page editors now use Lorem Ipsum as their default model text, and a search for 'lorem ipsum' will uncover many web
sites still in their infancy. Various versions have evolved over the years, sometimes by accident, sometimes on purpose
(injected humour and the like).</p>
</body>

```

Vamos inserir o novo atributo **bgcolor** na **tag body** para formatar uma cor de fundo (*background*) na página **index.html**.

O atributo **bgcolor** é uma das formatações possíveis da **tag body** quando desejamos aplicar cor de fundo (*background*) sobre um elemento, ou seja, uma página, uma tabela, um formulário, etc. Salve este documento e atualize a página em seu navegador para visualizar o novo efeito.
