

CSS incorporado

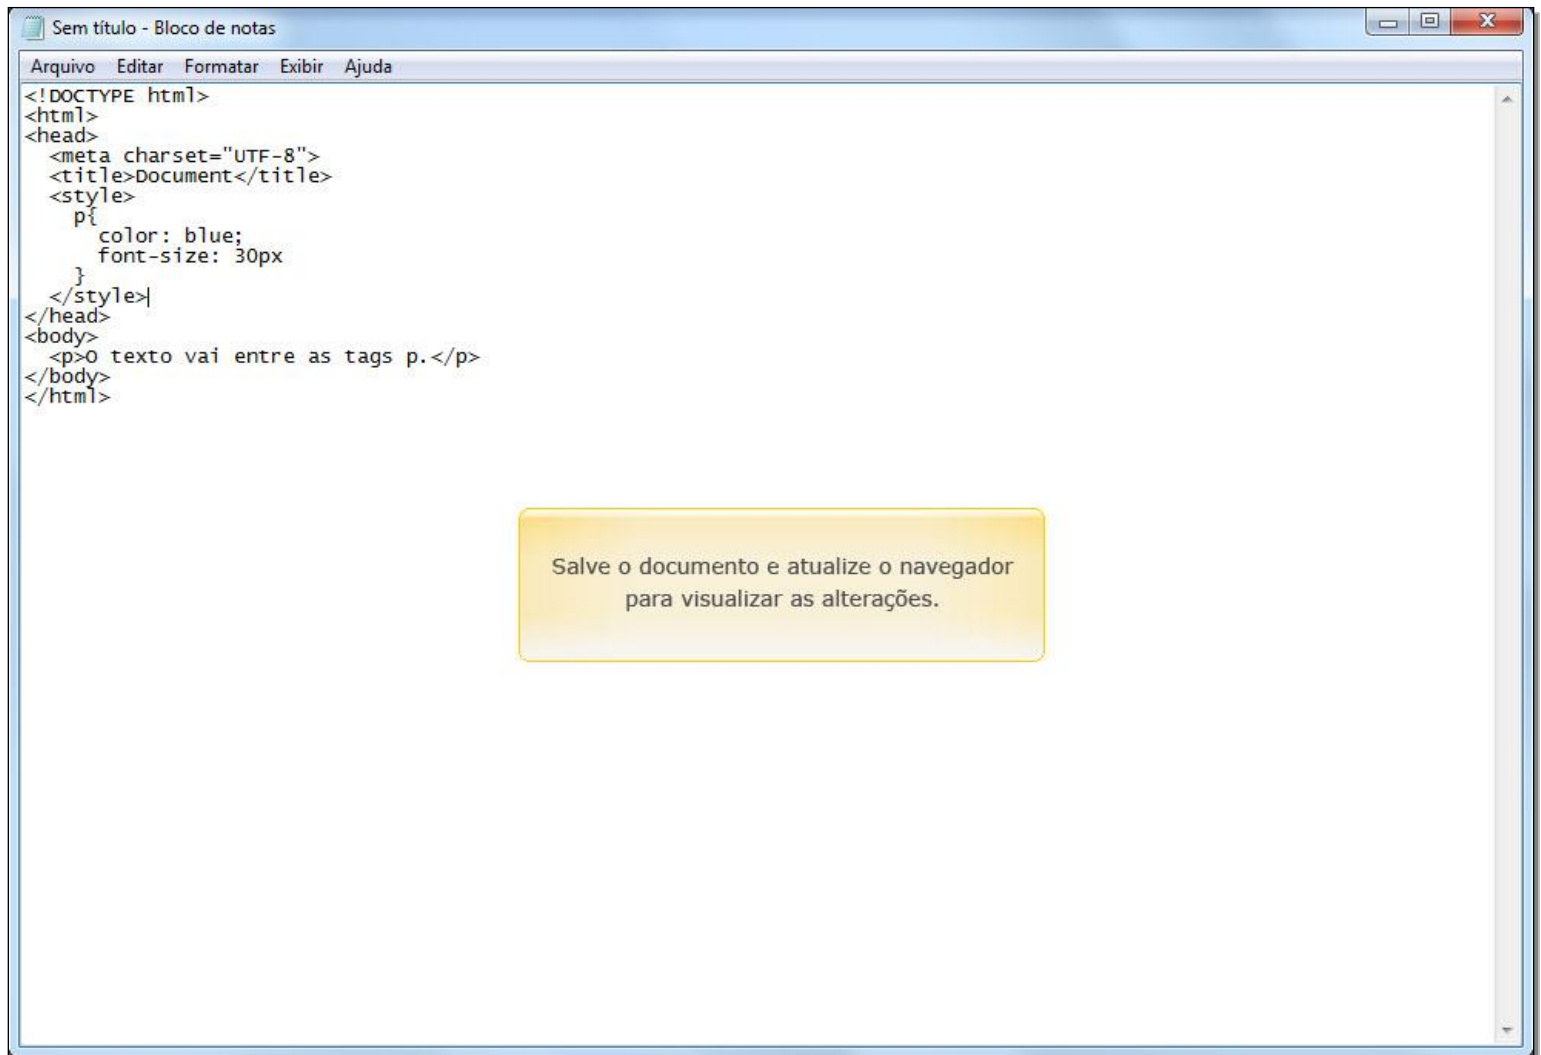

Sem título - Bloco de notas

Arquivo Editar Formatar Exibir Ajuda

```
<!DOCTYPE html>
<html>
<head>
  <meta charset="UTF-8">
  <title>Document</title>
</head>
<body>
  <p>O texto vai entre as tags p.</p>
</body>
</html>
```

Observe o código com o CSS incorporado, e veja que a declaração é feita no início do código HTML dentro do cabeçalho **<head>**.

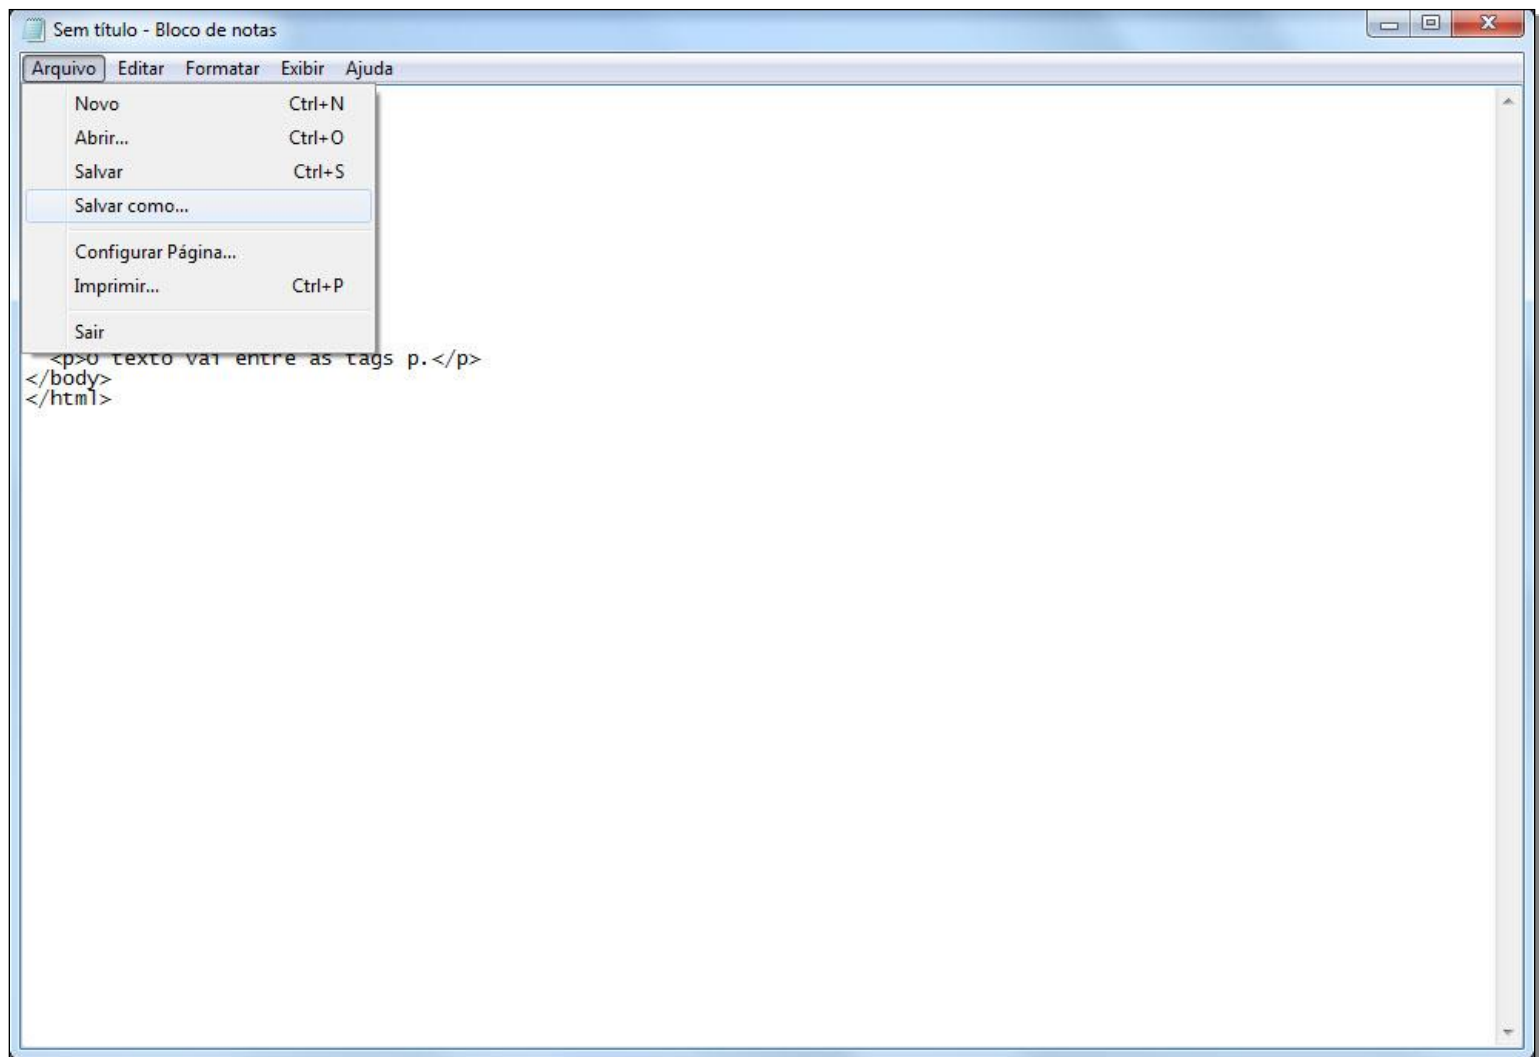

```
<!DOCTYPE html>
<html>
<head>
  <meta charset="UTF-8">
  <title>Document</title>
  <style>
    p {
      color : blue;
      font-size: 30px;
    }
  </style>
</head>
<body>
  <p>0 texto vai entre as tags p. </p>
</body>
</html>
```
